

Post-Judgment Service of Process

Garnishments and Levies, Oh My!

Finally, a firm that can support service of process for post-judgment work. ABC Legal gets your bank levies and wage garnishments, served efficiently at high volume.

Let Us Juggle The Documents and Deadlines

An array of documents need to be served, sent, or mailed to the judgment debtor and the employer or bank along specific timelines which vary by state and judgment type.

ABC Legal has documented workflows to stay organized throughout the process and enable success for all of your post-judgment work. We help create mailings and service packets, manage interactions with sheriffs, and more.

Solving Problems For Post Judgment Work

Tired of sending someone to check on client accounts from previous settlements to see what funds are available?

Send us a list or request and we'll use Robotic Process Automation (RPA) to automatically look for funds and send you a file detailing what's waiting for you.

*Available in select states only.
