

Service of Process: Expect More

We Deliver Great Experiences, Not Just Documents

Upload your documents; we'll take it from there. Our in-house filing, service of process, and investigation experts give your case the first-class treatment it deserves as it makes its way out for delivery by one of our ABC-trained process servers.

Real-Time Updates

Your account is your all-access pass to information about your case. See updates live. GPS data, photos, and detailed notes for every attempt are available on a detailed timeline for each case.

Nationwide Coverage

2.5K+ process servers
spanning all 50 states
