

AMERICA'S MOST TRUSTED PROCESS SERVER

OPTIMIZES DOCUMENT DELIVERY

Serve legal documents online—any document, anywhere. Your secure account keeps your team confident with live updates, saving you time and money. It's service made simple.

NATIONWIDE COVERAGE

Connect to the best network of process servers with swift, reliable delivery anywhere in the country.

EASY AND ONLINE

Save time using one comprehensive platform that consolidates all your orders and case details.

INSTANT UPDATES

Stay informed and in control with text and email notifications about your case progress.

Efficient and quick process. Went online and submitted my rush order late in the afternoon one day and about 48 hours later, service was complete and all the necessary proof was uploaded to the portal. We'll definitely use ABC Legal again in the future. Thank you!
