

AMERICA'S MOST TRUSTED PROCESS SERVER

OPTIMIZES PROOF OF SERVICE

Stay informed and get reliable proof of service. Get GPS-backed evidence validating process server attempts in a detailed timeline in your secure account.

REAL-TIME UPDATES

Stay informed with our service updates that guide you through every step of the process.

GPS + PHOTO EVIDENCE

Walk into court confidently, knowing you have GPS and photo evidence for every service attempt.

ALL-IN-ONE PLATFORM

Download past and present service records anytime from our secure platform to facilitate smoother proceedings.

The tracking feature ABC Legal uses is very helpful. We could see the status on serving at any given moment through tracking. They include pictures of the destination the party is served at, GPS location, and have a very convenient messaging feature.
